**Date:** Tuesday, April 6, 2021 3:17:30 PM

Good afternoon, Ms. O'Bannon, Executive Director, Antioch Educational Center:

Section 103-805 of the South Carolina Code of State Regulations requires, in part, that **an entity, such as a corporation or limited liability company, must be represented by an attorney** in virtual pre-hearing conferences and virtual hearings before the S.C. Public Service Commission. There are instances in which an individual person may represent him or herself, but a corporation with a Certificate of Existence filed with the Office of the Secretary of State must be represented by an attorney.

A virtual pre-hearing conference is scheduled in this matter for April 19, 2021, at 10:00 a.m. Prior to that time, we will contact all parties to confirm their virtual contact information for the conference. Your authorized attorney is required to provide the Commission with a notice of appearance. Please contact the Clerk's Office with any questions.

Yours sincerely,

Sharon Plyler Besley, Esquire
